FROM INTERIM DEAN STEINMAN

I am very happy to report that IIT Chicago-Kent College of Law has been named the top up-and-coming law school in the country in the April 29, 1991, issue of U.S. News and World Report. 175 U.S. law schools accredited by the American Bar Association were ranked using two reputational surveys, as well as statistical data that measure important educational attributes of postgraduate education such as student selectivity, placement success and faculty resources.

This is a terrific achievement for the law school, and we all are to be congratulated.

With the end of the semester and final exams fast approaching, I want to take this opportunity to thank all of you for your support and enthusiasm during my term as interim dean of the law school. I look forward to seeing our graduates at Commencement on June 9th, and to seeing the rest of you in the fall. Good luck on your finals, and have a wonderful summer!

REGISTRATION INFORMATION

Fall, 1991 Schedule Changes

Environmental Law Final Exam

The final exam for Environmental Law will be at 1:30 p.m. on Saturday, December 7, 1991, instead of 9:00 a.m. as listed on the schedule.

Prerequisite for Securities Regulation

Corporations is a prerequisite for Securities Regulation but this was inadvertently omitted from the Handbook and the Registration instructions. Because of the confusion this may have caused, Corporations will not be prerequisite for the evening section of Securities Regulation taught by Prof. Grinker on Monday and Wednesday evening at 7:35 p.m. Evening students and third-year day students may register for the evening section of Securities Regulation without the Corporations prerequisite. Corporations is still a prerequisite for the day section of Securities Regulation taught by Prof. Hablutzel.

Note: Securities Regulation is a prerequisite for a new spring course, International Securities Regulation, described in Spring, 1992 schedule item of the Record.

State & Local Government Law

State & Local Government Law was added to the evening division schedule after the schedule was published. The course is taught by Prof. Burt Odelson on Monday and Wednesday evening from 6:00 to 7:25 p.m. and is described in the Bulletin. Interested students may add this course on Add-Drop Day.

Program Changes

You should receive your program notice by mail today or tomorrow. If you do not receive your program by Wednesday, you may obtain a copy in the Registrar's office. You may change your schedule on Add-Drop Day as explained next.

Add-Drop Days: April 25 and 26

Program changes for students who registered by April 17 will be accepted in the second floor student cafeteria on the following days:

Evening Division: Thursday, April 25 from 5:00 p.m. to 6:00 p.m.

Day Division: Friday, April 20 from 2:00 p.m. to 5:00 p.m.

The Registrar will call students in priority number order. When your number is called, you may submit a Drop and Add Form to add open courses or courses for which you have been accepted from the waiting list. You will lose some priority if you or a representative is not present when your number is called. You may also submit a Drop and Add Form to drop courses from your schedule (other than a required course or Law Offices).

Program Changes after Add-Drop Day

You may add open courses after Add-Drop Day until August 30, 1991, the end of the second week of class, by submitting a Drop and Add Form to the Registrar's office. You may drop a course (other than a required course or Law Offices) at any time until the final examination. However, a tuition charge will be incurred according to the following schedule if you drop a course and reduce your total credit hours for the semester:

<u>Date of Withdrawal</u>	<u>Tuition Charge</u>
during the first week	0%
during the second week	50%
during the third week	75%
after the third week	100%

Procedure for Dropping a Course

In order to qualify for a tuition refund or credit, you must withdraw officially from a course by submitting a Drop and Add Form to the Registrar. Discontinuing class attendance, notifying an instructor or calling the Registrar is not sufficient for a refund.

No record of a dropped course appears on your transcript if you withdraw within the first two weeks of the session. Official withdrawals after the second week are noted on the transcript with a "WP" (Withdrew Passing). If you have not officially dropped a course by completing a Drop and Add Form by the date of the final exam, the grade of WE (Withdrew Failing) will be noted on the transcript.

Preliminary Spring, 1992 Schedule Changes and Corrections

New Course: International Securities Regulation

The preliminary schedule inadvertently omitted a new course in International Securities Regulation. This 3-hour course will be taught by Prof. Philip Hablutzel on Monday, Tuesday, and Thursday from 9:35 a.m. to 10:30 a.m. Securities Regulation will be a prerequisite for this course. Therefore if you want to take the International course, you must register for one of the Securities Regulation sections offered in the fall, 1991 semester.

The course in International Securities Regulation will cover the domestic securities systems of Japan, Great Britain and Germany and the mechanisms of transactions within the EEC and internationally. Included will be the American Depositary Receipt (ADR) system and the new Regulation S, defining the extraterritorial application of the Securities Act of 1933 and creating safe harbors for offshore offers and sales.

Intellectual Property II: Copyright

This course is a 3-hour course, not 2-hour as listed. In addition, it was listed out of order the day division schedule.

Bankruptcy

This course is a 3-hour course not 2-hour as listed.

Advanced Property: Real Estate Transactions

This course involves a detailed examination of the legal issues arising in connection with the purchase and sale of real property. Topics will include the role of brokers in real estate transactions, the contract of purchase and sale, instruments of conveyance, warranties of title, recording acts, title insurance and other forms of title assurance, warranties of condition and other forms of quality assurance and the financing and closing of real estate transactions. The course will examine real estate transactions from a practitioner's perspective, as well as from a more theoretical standpoint.

Forensic Sciences

This course cannot be offered at 7:35 p.m. because numerous guest speakers are invited to the class. The course will be offered at 4:05 p.m. on a day to be announced.

FINAL EXAMS ON COMPUTERS

Students interested in taking final exams on computers can begin to sign-up on Monday, April 15, 1991. Sign-ups will be conducted in a different manner this year. Inside room 643, there will be individual sheets for each professor who has authorized computer use for finals. The sheets will be listed by exam date in alphabetical order by professor name. There will be a final exam date schedule posted by the sign-up sheets. Students who wish to take their exams on computers should do the following:

1. LOCATE PROPER SHEET(S)
2. PRINT NAME, SS#, EMAIL address and LOCKER #
3. Pick up a copy of the EXAM RULES on the table outside computer lab 643.

REMEMBER, it is the student's responsibility to make sure his/her name is on the correct sheet. This is not a first-come sign-up. A lottery will be held if sign-ups exceed the 50 slots available for that exam time.

DEADLINE DATE for sign-ups is Friday, May 3, 1991.

If you have any questions, please contact Theda Mickey x6800 or e-mail TMICKEY/PROFNET.

DISTRIBUTION OF GRADES

The faculty has authorized the Registrar to make final grades available to students via Kentnet when final exams are over. Beginning after this semester's final exams, you will be able to obtain your semester grades on any Kentnet terminal as soon as they are processed by the Registrar. Instructions will be announced at a later time.

FACULTY NEWS

Professor Eglit has been invited to conduct a two-hour program, entitled *Age Discrimination in Employment-- Recent events and Future Developments*, at the Third Annual Symposium on Elder Law, sponsored by the National Academy of Elder Law Attorneys, to be held on May 15-18, in Orlando, Florida.

SPECIAL EVENTS

Professor Shapiro is the Chairman of the Third Annual Lawyers' Luncheon to benefit the Greater Chicago Food Depository. The speaker this year will be Scott Turow, the noted Chicago attorney and author of *Presumed Innocent* and *The Burden of Proof*. Proceeds from the luncheon will support the ongoing efforts of the Food Depository to alleviate hunger in Chicago. This community based, not-for-profit organization distributed approximately 20 million pounds of food -- or more than 13 millions meals -- to the hungry in Chicago during 1990.

The luncheon will be held on May 28, 1991. It is scheduled to begin at 11:30 a.m. in the Grand Ballroom at the Chicago Hilton and Towers. Tickets are \$60 per person, but Professor Shapiro will make tickets available to students for \$25, less than half price. All professors and students are encouraged to attend.

COURSE INFORMATION

To All First Year Students -- Justice & The Legal System

A faculty committee is in the process of reviewing the course, Justice and the Legal System, in order to consider changes to the reading materials assigned for the course. We benefited from the results of the questionnaire distributed to students at the end of the fall semester, but would appreciate any further comments that students would like to make, now that you have had a semester's time to reflect upon the significance of the course. Any comments that you wish to make on the scope, content, or organization of the reading materials may be written and given to senior faculty secretary Bill Morse, in the third floor faculty suite, or sent by e-mail to BMORSE on PROFNET.

Legal Drafting Classes

This week, the first hour of all of the Legal Drafting classes (except Krebs' General Practice and Martin's Criminal Practice) will meet jointly, according to the following schedule, for a demonstration and discussion of computerized legal drafting programs, such as Flexpractice.

Tuesday,	4:05 p.m. classes	Room 223
Tuesday,	7:35 p.m. Estate Planning	Room 203
Thursday,	11:45 a.m. classes	Room 646
Thursday,	7:35 p.m. class	Room 645

Attendance is required and will be taken. Students should return to their regular Legal Drafting classes and classrooms following the demonstration for the second hour of class.

New Joint Degree Program In Taxation

The faculty has just approved a new joint degree program that enables a student admitted to the program to earn both a J.D. degree and an LL.M. (Master of Laws) degree in taxation in a total of seven semesters instead of eight (for day division students) or in nine semesters instead of ten (for evening division students). A student in the joint degree program must take a total of six two-hour graduate tax courses while a J.D. candidate. The student will then receive double credit for those twelve hours; they will be applied toward both the J.D. and the LL.M. degree. Thus, the student will earn the J.D. degree in the usual time but will then go on to earn the LL.M. degree in only one additional semester instead of two, thereby saving time and tuition.

Day students interested in entering the joint degree program should take the J.D. course in Personal Income Tax (Law 276) no later than the fall semester of their second year. Evening students interested in entering the program should take the Personal Income Tax course no later than the summer term between their second and third years.

For further information, including the requirements for admission to the program, please see **Professor Sherman**, room 311.

RESEARCH ASSISTANTS NEEDED

Professor Randy Barnett is seeking a paid research assistant for the summer. The likely topic will be the Ninth Amendment and the protection of unenumerated rights. All students may apply, but former members of Professor Barnett's criminal law class are especially encouraged. Leave a resume with Bill Morse in the faculty suite on the third floor.

Professor Ralph Brill is seeking a second- or third-year student to work an average of 20 hours per week researching Illinois tort law. The student selected also may continue to work through the summer. Please see Professor Brill in room 216, or drop off a resume in his mailbox in the college office.

Professor Howard Eglit is seeking one or two research assistants to work part-time this summer on age discrimination issues relevant to the revision of his book, entitled *Age Discrimination*. I'm looking for students who can work 10-20 hours per week, but I am flexible. Applications should be submitted to me in room 503, or my secretary Ann Finney.

Professor Richard McAdams is seeking one or two student research assistants for the summer. He needs assistance with research on the psychology and sociology of racial discrimination, wealth envy, and other forms of invidious preferences. The hours are negotiable; compensation includes self-fulfillment, euphoria, and \$6 an hour. Students with a social science background are preferred, but all interested students should apply. Inquiries should be directed to Professor McAdams via e-mail, his mailbox on the third floor, or in person in room 316.

Professor Jonathan Mintz is looking for a day-division student to work part-time this summer as his paid research assistant (approximately 20 hours per week). The research will focus on products liability and related First Amendment issues. Interested students should drop off a resume and transcript either in Professor Mintz's mailbox on the third floor or at his office, room 212.

Professor Sheldon Nahmod is seeking several research assistants to work 6-8 hours per week over the summer (possibly spilling over into the fall) to work with him in the civil rights area. Students interested in constitutional litigation are especially encouraged to apply. Call him at 567-5761 or stop by to see him in room 504 as soon as possible.

Professor Dale Nance is seeking research assistance for the summer. The general topic is evidence law, so the assistant must have completed the basic evidence course by the beginning of the summer and should have a serious interest in litigation. The specific topic will probably relate to the so-called "rule of completeness" (FRE 106). Applicants should leave a resume with Bill Morse in the faculty suite on the third floor.

Professor Clifford Shapiro seeks to hire a student research assistant for the summer. Topic areas will include privacy rights and defamation issues. Interested students should submit their applications to Professor Shapiro at his office (room 215) or in his mailbox on the third floor as soon as possible.

Professor Kevin Smith is seeking research assistants for the summer. The research will concern the Supreme Court. Interested students should see Professor Smith in room 211 or leave a resume in his mailbox in the College Office.

Professor David Thomas needs two research assistants beginning as soon as possible after final exams to work this summer on a variety of issues relating to criminal procedure. Work will include preparation of a supplement to our treatise, as well as issues related to various ongoing cases. Times are flexible, but I would like at least 20 hours a week. Interested persons should submit a resume and writing sample to Tracy Green, room 601. I will be returning to Chicago on May 6 and will make a decision soon after that.

1991 GRADUATES: ADDITIONAL PHOTO OPPORTUNITIES AVAILABLE

The photographer for the graduation composite has scheduled additional photo opportunities at the law school on April 24-25. Those who missed having their photo taken during the week of March 11 and who want to have a graduation picture should see Barbara Clemmer in room 221 to schedule a photo session and to make all necessary arrangements to participate in the graduation ceremony.

CAREER SERVICES NEWS

Skadden Public Interest Fellowships

In 1988, the law firm of Skadden Arps Slate Meagher & Flom established the Skadden Fellowships Program which annually awards 25 Fellowships to graduating law students and outgoing judicial clerks interested in practicing public interest law. Under the program terms, grants in the amount of \$32,500 are made to sponsoring public interest organizations chosen by the Fellows (each grant covers a Fellow's salary for one year; applicants must find a potential job with a sponsoring organization before applying for a Fellowship; and sponsors must be organizations which provide civil legal services to the poor, the homeless, the elderly, the disabled or those deprived of their civil or human rights). Although the duration of the Fellowship is one year, application for renewal for a second year term is an option if the Fellow is in good standing with the sponsoring organization.

Timothy Bishop, a Northwestern grad and current Skadden Fellow with the ACLU in Chicago, and Michelle Causey-Drake, a DePaul student who will be a 1991 Skadden Fellow, will be at Chicago-Kent on **TUESDAY, APRIL 23 at Noon in ROOM 223 to speak to all interested students.** Applications for 1992 Fellowships are due in October, 1991 (potential positions with sponsoring organizations must be arranged by this application deadline). **ALL STUDENTS INTERESTED IN PRACTICING IN THE PUBLIC INTEREST ARENA SHOULD BE SURE TO ATTEND THIS INFORMATIONAL SESSION** which will cover the Fellowship Program and application procedures.

Fifth Annual Patent Law Interview Program

Attention all students interested in patent law!! The Fifth Annual Chicago Patent Law Interview Program will be held August 16-18, 1991 at the Guest Quarters Suites Hotel (198 E. Delaware St.). As in past years, this interviewing fair will be sponsored by approximately 40 midwestern law schools and will be attended by patent law employers from around the country. Traditionally, patent employers seek students with a technical background in engineering or science. If you will be a second- or third-year student next fall, possess a technical undergraduate degree and are interested in the field of patent law, you are strongly encouraged to participate in this program. Many patent employers participate only in specialized patent recruitment fairs such as this and, therefore, will not participate in the fall on-campus interview program.

Because all program planning is completed during the summer months, we must know now how many students plan to participate and where we can reach them during the summer. Registration forms are now available in the Career Services Office; **registration deadline is April 25.** Students who register will be notified during the

summer as to when employer information will be available and preference selections must be made. This information will be forwarded only to those students who have met the April 25th registration deadline.

RE: Federal Financial Aid and Need-Based Scholarships: Deadlines

CRITICAL INFORMATION REGARDING:
FINANCIAL AID AND/OR NEED-BASED SCHOLARSHIPS

The 1991-92 Financial Aid Form (FAF) and the IIT College of Law Financial Aid Application are now available: (1) in the College Office (Room 301); (2) on the 2nd floor across from the elevators; and (3) in the Admissions Office (Room 307).

This is a long memo, but it is one you need to read. Your financial aid, whether a loan and/or a need-based scholarship, depends on it.

Once again, that time has arrived for you to begin the process of applying for financial aid for next year. There are some important changes in the federal application procedures that you need to know. Please take note of the calendar of important dates below; I suggest that you save this memo for later reference.

Take special care in reading the FAF instructions.

- > 1. **Be sure to enter the correct code number for IIT Chicago-Kent College of Law in Item 77 (code number 1654).** This is not the same code number used by the main campus of IIT. (Note: this is new this year.)
2. You must fill out the entire FAF.
3. You can use ONLY #2 pencil when filling out the FAF. Do not type or use a pen.
4. Fill out the FAF completely and sign your name at Item 32. Be sure to answer "Yes" to Item 30a and the second part of 30b to be considered for federally subsidized loans. Do not stop after Section E! Go on to complete the remainder of the FAF labeled "Supplemental Information". **You must complete the section labeled "Supplemental Information".**

Because we use the IIT College of Law Financial Aid Application to tailor your financial aid as best we can, please be as complete as possible when supplying additional information, especially regarding your expenses.

Since we use the federal system of needs analysis, this means that we must adhere to a timetable to ensure that you can receive your award in a timely manner and resolve any issues or problems that might arise in your request for financial aid. Our goal is to make certain that the process is complete before classes begin in the fall.

To be eligible for ALL FORMS OF FINANCIAL AID, including NEED-BASED SCHOLARSHIPS, you must meet the following deadlines:

By April 1

1. The FAF must be **received by** the College Scholarship Service (CSS) by April 1. All information must come from completed Federal Income Tax forms. This also will reduce the likelihood of your being selected for Verification.
2. Your IIT College of Law Financial Aid Application must be **received in** the IIT Chicago-Kent College of Law Office of Admissions and Financial Aid **no later than April 1.**

By May 15

1. After you file your FAF, you will be sent a Student Aid Report (SAR) by the College Scholarship Service (CSS). All pages of your Student Aid Report **must be in your financial aid file at IIT Chicago-Kent by May 15, EVEN THOUGH YOU WILL NOT RECEIVE A PELL GRANT.** Do not send any corrections on your Student Aid Report to CSS; send the SAR to the Office of Admissions and Financial Aid, as is, and attach any corrections on a separate sheet of paper. Make sure that you sign the report where indicated.
2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Worksheet. These materials and your SAR must be returned before a financial aid award will be determined for you.

By July 15

1. You should sign and return your financial aid award letter to the College of Law Office of Admissions and Financial Aid by July 15.

2. You are expected to turn in student loan applications from the lender of your choice by July 15. If you are unsure of a lender, contact the Office of Admissions and Financial Aid at (312) 567-5012. Loan applications for the Law Access program are available in the Office of Admissions and Financial Aid, Room 307, and in the College Office, Room 301.

Other important advice:

1. If you are applying for federal financial aid at IIT Chicago-Kent for the **first** time, you must submit a Financial Aid Transcript to all colleges and universities that you previously attended, whether or not you received financial aid at those colleges/universities. Each college/university will automatically forward the financial aid transcript directly to the IIT Chicago-Kent Office of Admissions and Financial Aid.

2. If you have questions about continuing scholarships, please contact the Office of Admissions and Financial Aid.

3. If you have an unusual situation and your financial aid award will not be sufficient to meet your financial needs, please contact the Office of Admissions and Financial Aid at (312) 567-5012.

4. Here is a checklist of items that will help you complete your financial aid application:

- A. 1990 federal, state and local tax forms (yours, your spouse's and your parents', if applicable) and W-2 forms.
- B. Records of any untaxed income, such as welfare, social security, AFDC or ADC statements and veterans' benefits.
- C. Current bank statements.
- D. Medical and dental bills not covered by insurance.
- E. Business and/or farm records.
- F. Stocks, bonds, and other investment records noting value and dividends earned.
- G. Explanation of any source of income assistance and assets not listed on the FAF.

You must submit all necessary documents by the stated deadlines. Loan money and awards are not unlimited, and students who do not apply in a timely manner risk not receiving funds next year. We are ready to help if you need assistance -- just call the Office of Admissions and Financial Aid at (312) 567-5012. Above all, please do not put this off (especially doing your taxes).

Thank you for your cooperation.
